RE: Democrats 2000: ID #C00230342

Dear Ms. Wall:

This is in response to your letter of November 26, 1996 regarding Democrats 2000's Amended Year End Report (7/1/95-12/31/95) received 6/21/96.

1. Schedule H2 inadvertently identified activities as "exempt". In the new computer form we are using, the boxes were not clearly delineated. We intended to identify these entries as they now appear. These entries have been corrected and correspond with entries on H4, none of which are categorized as "exempt".

2. On Schedule H4, the PURPOSE of all payments for all events has now been included. When this amended report was first prepared, I had thought the codes which referenced each event and what each event was (e.g. direct mail) would be sufficient for the required information.

3. The ratio for A011 (which now appears as A066) has been corrected and corresponds with the entry on H4. The 1995 amendments were the first use of computer software and the H2 form had two entries for A011 and the computer selected the wrong one. This has been corrected. This change would allow additional transfer from our non-federal to our federal account so no transfer back to our non-federal account is necessary.

4. The ratio for A012 (which now appears as A067) has been corrected. As in item 3 above, the computer created two entries A012 and selected the wrong one for these entries on H4. While the correction allows a lower percentage for transfer of non-federal funds, there are still sufficient non-federal shares of this event to account for the transfers made. In total for the period our federal account disbursed $46,578.61 for non-federal share of A067 and we transferred a total of only $38,815.51 from our non-federal account to our federal account for this event.

5. Based on our recent telephone conversation, I believe the issue arising from our in-kind reporting was the clarity of the presentation of the entry on Schedule H3. Additional language on Schedule H3 has been included to cross reference the related entry on H4.

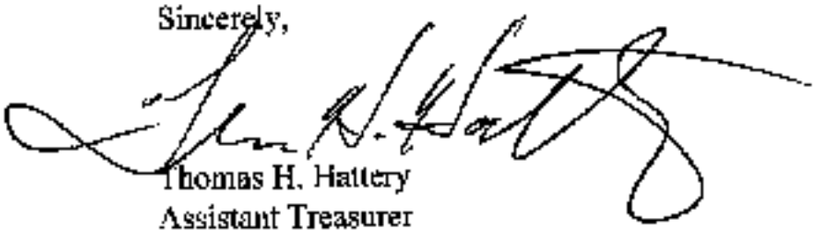
6. 100% federal events have been removed from H4 and are now reported on Schedule B supporting Line 21 (b).

7. Sample computer generated schedules were submitted to the FEC and approved. It was our understanding that this popularly used software had been pre-approved.

Note: In reviewing the bank records I found that contributions amounting to $172.63 were bad checks and not credited to our account. I have reduced the unitemized contributions by that amount.

Please let me know if you have additional questions.

Sincerely,



Thomas H. Hattery
Assistant Treasurer
