Reference Request: Notice of Failure to File from 10/31/2012

Dear Debbie,

Following up on your Notice of Failure to File:

Due to software issues with the FECfile program, the 2012 October Quarterly was filed missing the date range of 07/01/2012-08/31/2012. This Form 99 confirms that there was no financial activity during this timeframe. We are unable to amend this report due to persisting software issues that will not let us over-ride a report with a different date range. Per many conversations with FEC analysts, we have been advised that this Form 99 explaining the situation sufficiently clarifies the public record.

Sincerely,

Richard Springer
Treasurer
