MARIO DIAZ-BALART FOR CONGRESS

Committee ID#C00376087

This form will serve as clarification to Amendment Report: Post General 2012 - 10/18/2012 through 11/26/2012, amended on 12/05/2014.

RE: A contribution intended for and designated by LIUNA PAC as General 2012 was erroneously reported by the Mario Diaz-Balart for Congress campaign as a Primary Election 2014 contribution. Said error occurred in the campaigns Post General 2012 report.

The LIUNA PAC contribution of \$2,500 was received during the allotted time to be reported as a 2012 General Election contribution. Accordingly, the LIUNA PAC contribution originally reported in the post General 2012 report filed by the Mario Diaz-Balart for Congress has been amended to reflect the correct designation of the contribution as a General Election 2012 contribution and to also coincide with previous LIUNA PACs FEC filings.
