IDENTIFICATION NUMBER: C00396994

REFERENCE: 30 DAY POST-GENERAL REPORT (10/01/2016 - 11/28/2016)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Your report discloses a transfer(s) for "Transfer to Non-Federal Account" to the "Riverside County Democratic Central Committee - State Account" which appears to be a non-federal account of your committee. 11 CFR §§106.6 and 106.7 prohibits a committee's federal account from reimbursing its non-federal account for shared allocable expenses. Also, the non-federal account is prohibited from paying the federal account's share of these expenses. These types of costs must be paid according to the allocation ratio derived from the appropriate method on Schedule H1.

If the transfer(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If your non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non-compliance with 11 CFR §§106.6 and 106.7 and establish procedures to ensure future compliance with allocation regulations.

Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will

be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
