Reference: Year End Report (11/28/00-12/31/00)

Dear Mr. Fant:

On May 23, 2001 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 5, 2001 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

- To ensure accuracy and clarity memo schedules should be entered on the same report as the transfers of funds to which they pertain. Your June 5, 2001 response states, "funds raised during this reporting period (from ASDC/Dollars for Democrats) will be received by the State Party during the next reporting period". Please amend your report by removing the memo entries from your Year End Report and report them as required on the report(s) covering the period during which the actual transfer of funds is received

An adequate response must be received at the Commission by July 4, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions for time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response

submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
