Reference: Amended October Monthly Report (9/1/02-9/30/02), dated 11/25/02

Dear Ms. Gordon:

On January 22, 2003, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your February 6, 2003 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your report discloses a total of \$10,000 in disbursements to *Commerce Bank* for "transfer" (pertinent portion(s) attached). 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election, except that a connected organization may pay for the solicitation and administrative costs of its separate segregated fund.

Please amend your report to clarify the nature of the transaction(s) in question and provide the date of the original deposit in your account. If the funds were deposited in your committee's account in error, the original receipt must also be disclosed on Schedule A supporting the appropriate line of the Detailed Summary Page on an amended report covering the period during which the receipt occurred. Although the Commission may take further legal action concerning this matter, your prompt action will be taken into consideration.

An adequate response must be received at the Commission by March 5, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions related to this matter, please contact Julie Perry on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,
