Re: Response to Letter of December 5, 2007,
Amended October Monthly Report, Filed
November 19, 2007 Clear Channel
Communications, Inc. Political Action Committee
Committee Identification Number C00279216)

Commissioners:

This letter provides the information in response to the view of the Amended October Monthly Report as referenced above.

The amendment was required because the relay of data and the wire transfer for the receipts for the last payroll run in September was delayed due to a technical error. Since receipts are deemed received on the date of the payroll deduction, this report was amended in keeping with the rules of disclosure under the FECA.

This technical error has been assessed and is being addressed through adjustments to the operations procedures of Clear Channel Communications, Inc. PAC.

It is our hope that this statement provides the necessary information to respond to the FEC letter referenced above. Of course, should you require additional information, please do not hesitate to contact me.

Sincerely,

Andrew W. Levin
Treasurer
