Reference: October Quarterly Report (7/01/08 - 9/30/08)

This letter is in response to your notice dated November 5, 2008.

An amended report has been filed clarifying the "Catering" expenditure in question. Details are included for each candidate that benefited from this expenditure on Schedule B, Line 23.

The Schedule B expenditures for "Bulk Printing" and Bulk Mail Postage/Processing" were reported correctly on the original filing. These expenses were for general fundraising and were not associated with any one candidate.

Administrative expenses have been minimal in direct relation to the low level of activity incurred by the PAC. The PAC's rent payments include utility, phone and equipment usage. All expenses incurred have been correctly reported. There have been no goods, services or volunteer activity provided to the PAC requiring any additional disclosure.

Please advise if any additional information is required.

Sincerely,  
Lori Pyeatt  
Treasurer
