Dear Congressman Ramstad:

The American Medical Political Action Committee was pleased to have participated in your reelection campaign by providing additional cost of sponsoring the fundraiser at the home of Dr. Bubrick in Edina, Minnesota on November 12, 1995.

This participation will be reported by AMPAC as a 1996 Primary contribution to you on our April, 1996 report (due May 20, 1996) to the Federal Election Commission. You should, therefore, report to the FEC that \$165.00 was received from AMPAC in the form of an in-kind contribution for the above services. If there are questions about this, be sure to let me know.

Also, we have included two copies of a receipt which acknowledges this contribution and would appreciate your signing both copies and returning one to us.

Again, AMPAC was pleased to provide this contribution and is hopeful of your reelection in November, 1996.

Sincerely,

Kevin Walker
Executive Director and
Treasurer
