Reference: Year End Report (11/28/00-12/31/00)

Dear Mr. DeJohn:

On July 3, 2001 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your July 19, 2001 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your amendment now discloses \$35,292.49 in transfers from the non-federal account for joint activity; however, Line 21(a)(ii) discloses \$5,941.47 as the non-federal share of joint activity for the reporting period. While the non-federal account is permitted to transfer funds to the federal account for shared activity, transfers for shared activity must be made within a 70-day time period; no more than 10 days before or 60 days after the payment to the vendor. 11 C.F.R. §106.5(g)(2) and 106.6(e)(2) Please clarify the nature of the transfers-in from the non-federal account, and the reason for this discrepancy.

An adequate response must be received at the Commission by August 15, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions for time in

which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
