FEC letter dated 11/27/02 in response to Amended July Monthly Report (6/1/02-6/30/02), received 11/4/02

Dear Ms. Parks:

This letter is in response to the Commission's request that a response or an amendment be made to the report mentioned above. The difference between the Detailed Summary page and the entries itemized on Schedule B is assumed to be a result from an unknown technical error. The Commission is aware that changes to Schedule B are automatically reflected on the summary page. In this case, the summary page maintained the correct total while Schedule B of the printed report was not complete. The original report was transmitted correctly. This error was only reflected in the subsequent amended report. Another amended July Monthly report has been filed in which Schedule B matches the total on the summary page.

As we have communicated in previous correspondence, there has been a delay in our response to your inquiry due to the recipient of the letter and the address being inconsistent. The letter was directed to Margaret Conway, National Political Director, with the address of our San Francisco headquarters. Margaret Conway works out of our Washington DC office and therefore did not receive the letter in a timely manner. Upon further discussion with Jane Parks, Reporting Analyst, it was noted that all correspondence must be sent to the Treasurer designated on the Statement of Organization. The Statement of Organization will therefore be updated accordingly.

Do not hesitate to contact me at (415) 977-5656 if you have any questions.

Sincerely,

Jane Kraft
