Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Your amended report discloses an increase in receipts totaling \$195,857.44 from the amounts disclosed on your original report. Please amend your report or provide clarifying information as to why this activity was not disclosed on your original report. (11 CFR § 104.3)

The Commission notes the memo text attached to your report stating, "The amendment also discloses and additional \$195,857.44 in receipts (including \$603.01 in unitemized receipts) and \$111,059.91 in disbursements. These transactions were not disclosed due to incomplete recordkeeping and other clerical errors in the records and the deficiencies were not immediately identifiable due to a turn over in staffing that took place at the time the original report was being prepared. No changes were made to election sensitive transactions disclosed on Sch E." Although the Commission may take further legal action concerning this matter, your clarification and any additional clarification you may have will be taken into consideration. 11 CFR §104.3

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee
