RE: Amended April Monthly (3/01-3/31/01), received 5/01/02

Dear Mr. Walker:

Schedule H3 disclosed a receipt of \$70,145.29 for event P2 this was in error. This receipt was for event S2. We have amended our report to correct this error.

With regard to your inquiry questioning the discrepancy between line 21(a)(ii) non-federal share for joint federal non-federal activity and the actual transfer from the non-federal account reported on Line 1B Column A. The transfers reflects the non-federal share actually transferred during the reporting period as allowed under FEC regulations within the 70 day window for the non-federal share of activity some of which was reported on Line 21(a)(ii) in earlier reporting periods. This is a frequent occurrence since the RNC files monthly reports.

On Schedule H2, we have provided the event dates for G3.

On Schedule H4 we have amended the report to disclose the appropriate category and have corrected the description(s): supplies.

Concerning the event year-to-date calculations for Administrative/Voter Drive, we have checked our database and have also downloaded the FEC report from the FEC web site and find no error in the total year-to-date calculation. We have amended this report in the past, but none of the changes made changed the year-to-date totals we originally reported.

We have amended Schedule F to include the candidate and office sought.

We have amended Schedule A to correctly indicate receipts as Line 11(c).

If you have any further questions please do not hesitate to contact us.

Sincerely,

Pat Huyck
Director of Accounting
