Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule A supporting Line 16 discloses a refund of a contribution made to "Martinez for Senate" for \$2,750.00. However, it appears that this contribution was not previously reported by your committee. The Commission notes the text added to the refund which states, "Contribution made by affiliated BellSouth Federal PAC which is now merged with AT&T Federal PAC." Please be advised that your Committee is not allowed to accept refunds of contributions made by another committee. Please clarify information regarding this activity and refund this receipt if necessary.
2. Schedule B supporting Line 23 discloses a voided check(s) to "PACIFIC NORTHWEST FUND," however, it appears that the original contribution(s) has not been reported by your committee. Please amend the report covering the period(s) during which the contribution(s) was disbursed and disclose the original date of the contribution.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an

enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1177.
