This is in response to the Commission's Request for Additional Information from Rick W. Allen for Congress dated February 21, 2021.

The contributions from Matthew Sterner and Hiram Thompson were inadvertently left off the 48 hour notice for 10/30/20. Please know that the committee makes every effort to follow all compliance laws and this was merely an oversight.

Thank you for your attention to this matter and please let me know if you need any further information.
