RE: FEC letter dated 3/25/05, Amended 30 Day Post-General Report, FEC-166997

To Whom It May Concern:

Please accept this letter as an explanation of the 48 hour notices that were not filed timely by our committee. Originally, we had misinterpreted the rules and requirements regarding 48 hour notices. This was brought to our attention by a letter from the Federal Election Committee dated November 17, 2004. At that time, we spoke to our Campaign Finance Analyst, who instructed us as to the rules and regulations of 48 hour notices. Upon further research, we realized our misinterpretation and promptly filed the required 48 hour notices, including the 48 hour notice for the two disbursements that were listed in your most recent letter.

We hope that the 48 hour notices that have been sent are adequate. Thank you for your attention to this matter.
