Re.: Amended March Monthly Report (2/1/08-2/29/08), your letter 7/11/08

Dear Ms. Seay:

In response to your letter we would like to state the following:

1. The payments on Schedule H4 Line 21 a federal payroll taxes, health insurance, insurance, ITEMIZE: health insurance, net pay and state payroll taxes were activities for employees who spent 25% or less of their time during the month referenced above on FEA or activities in connection with a Federal election.
2. The ratio for the Presidential Debate event was calculated according to the funds received method and amounted to 19% federal and 81% nonfederal funds, which was used for the allocation for joint expenditures. We have amended the report to generate a Schedule H2 accordingly. The year to date aggregation for this event on this report is found in the disbursement for Convention Makers.
3. The ratio on Schedule H1 of this report is correct. Due to a clerical error an incorrect ratio was used at the beginning of the election cycle. We have since amended all returns and refunded the overpaid amount to our nonfederal account (see our Amended November 2007 report, Schedule B, Line 21b, filed 3/20/08).

Sincerely,

Doug Robertson, Treasurer  
South Carolina Republican Party
