Re: Amended April 2007 Monthly Report

Dear Mr. Vuong:

I am in receipt of your letter dated September 7, 2007 regarding the Amended February, March, and April, 2007 Monthly Reports which asserts that the Committee for the Preservation of Capitalism discloses limited payments for administrative expenses.

As indicated in September, 2006, the Committee no longer maintains an office and no longer has a salaried employee. Instead, as fully disclosed on the Committee s reports, the Committee pays a political consultant and an administrative consultant. Their fees cover the day-to-day overhead costs incurred by the committee as well as consulting costs. Additional expenses are reported as incurred. Thus, this letter will verify, and confirm, as requested, that the committee fully discloses all administrative expenses incurred by the committee. In addition, the Committee is the recipient of volunteer activity which is not required to be disclosed on its reports.

Sincerely,  
Jan Furlow  
Treasurer
