Loan Purpose and Updated Financial Information Required

The undersigned hereby represents and warrants that the loan evidenced by this Note is being made solely for the purpose of acquiring or carrying on a business, professional or occupational activity or acquiring real or personal property as an investment (other than a personal investment) or for carrying on an investment activity (other than a personal investment activity). The undersigned agrees to provide to the Bank updated financial information, including, but not limited to, tax returns, current financial statements in form satisfactory to the Bank, as well as additional information, reports, or schedules (financial or otherwise) all as the Bank may from time to time request.

Default, Acceleration and Setoff

Any one of the following shall constitute an event of default under the terms of this Note: (1) the failure to make when due any installment or other payment, whether of principal, interest, late charges or other authorized charges due under this Note, or the failure to pay the amount demanded by the Bank if this Note is payable on demand; (2) the death, dissolution, merger, acquisition, consolidation or termination of existence of the undersigned, any guarantor of the indebtedness of any of the undersigned to the Bank, any endorser, or any other party to this Note (collectively called a "Party"); (3) the insolvency or inability to pay debts as they mature of any Party, or the application for the appointment of a receiver for any Party or the filing of a petition under any provision of the Bankruptcy Code or other insolvency law, statute or proceeding by or against any Party or any assignment for the benefit of creditors by or against any Party; (4) the entry of a judgment against any Party or the issuance or service of any attachment, levy or garnishment against any Party or the property of any Party, or the repossession or seizure of property of any Party; (5) a determination by the Bank that it deems itself insecure or that a material adverse change in the financial condition of any Party or decline or depreciation in the value or market value of any Collateral has occurred since the date of this Note or is reasonably anticipated; (6) the failure of any Party to perform any other obligation to the Bank under this Note or under any other agreement with the Bank; (7) the occurrence of an event of default with respect to any existing or future indebtedness of any Party to the Bank or any other creditor of the Party; (8) a major change in the ownership, control or management of any Party that is an entity, unless such change is approved by the Bank in its sole discretion; (9) if any Party gives notice to the Bank purporting to terminate such Party's obligations under or with respect to this Note; (10) the sale or transfer by a Party of all or substantially all of such Party's assets other than in the ordinary course of business; or (11) any Party commits fraud or makes a material misrepresentation at any time in connection with this Note. If an event of default occurs, or in the event of non-payment of this Note in full at maturity, the entire unpaid balance of this Note shall, at the option of the Bank, become immediately due and payable, without notice or demand. Upon the occurrence of an event of default, the Bank shall be entitled to interest on the unpaid balance at the stated Rate plus 2.00% (the "Default Rate"), unless otherwise required by law, until paid in full. To the extent permitted by law, upon default, the Bank will have the right, in addition to all other remedies permitted by law, to set off the amount due under this Note or due under any other obligation to the Bank against any and all accounts, whether checking or savings or otherwise, credits, money, stocks, bonds, or other security or property of any nature whatsoever on deposit with, held by, owed by, or in the possession of, the Bank or any of its affiliates to the credit of or for the account of any Party, without notice to or consent by any Party. The remedies provided in this Note and any other agreements between the Bank and any Party are cumulative and not exclusive of any remedies provided by law.

Capital Adequacy

Should the Bank, after the date hereof, determine that the adoption of any law or regulation regarding capital adequacy, or any change in the interpretation or administration thereof, has or would have the effect of reducing the Bank's rate of return hereunder to a level below that which the Bank could have achieved but for such adoption or change, by an amount which the Bank considers to be material, then, from time to time, 30 days after written demand by the Bank, the undersigned shall pay to the Bank such additional amounts as will compensate the Bank for such reduction. Each demand by the Bank shall be made in good faith and shall be accompanied by a certificate claiming compensation under this paragraph and stating the amounts to be paid to the Bank under and the basis therefor.

Late Charges and Other Authorized Charges

If this is an Installment-Simple Interest loan, if any portion of a payment is at least seven (7) days past due, the undersigned agrees to pay a late charge of 5% of the amount which is past due. On all other loan types, the undersigned agrees to pay such late charge if any portion of a payment is at least ten (10) days past due. Unless prohibited by applicable law, the undersigned agrees to pay the fee established by the Bank from time to time for returned checks if a payment is made on this Note with a check and the check is dishonored for any reason after the second presentation. In addition, as permitted by applicable law, the undersigned agrees to pay the following: (1) all expenses, including, without limitation, any and all court or collection costs, and attorneys' fees of 25% of the unpaid balance of the Note, or actual attorneys' fees if in excess of such amount, whether such be brought or not, incurred in collecting this Note; (2) all costs incurred in evaluating, preserving or disposing of any Collateral granted as security for the payment of this Note, including the cost of any audits, appraisals, appraisal updates, reappraisals or environmental inspections which the Bank from time to time in its sole discretion may deem necessary; (3) any premiums for property insurance purchased on behalf of the undersigned or on behalf of the owner(s) of the Collateral pursuant to any security instrument relating to the Collateral; (4) any expenses or costs incurred in defending any claim arising out of the execution of this Note or the obligation which it evidences, or otherwise involving the employment by the Bank of attorneys with respect to this Note and the obligations it evidences; and (5) any other charges permitted by applicable law. The undersigned agrees to pay such authorized charges on demand or at the Bank's option, such charges may be added to the unpaid balance of the Note and shall accrue interest at the stated Rate. Upon the occurrence of an event of default, interest shall accrue at the Default Rate.

Waivers

The undersigned and each other Party waive presentment, demand, protest, notice of protest and notice of dishonor and waive all exemptions, whether homestead or otherwise, as to the obligations evidenced by this Note. The undersigned and each other Party waive any rights to require the Bank to proceed against any other Party or person or any Collateral before proceeding against the undersigned or any of them, or any other Party, and agree that without notice to any Party and without affecting any Party's liability, the Bank, at any time or times, may grant extensions of the time for payment or other indulgences to any Party or permit the renewal or modification of this Note, or permit the substitution, exchange or release of any Collateral for this Note and may add or release any Party primarily or secondarily liable. The undersigned and each other Party agree that the Bank may apply all monies made available to it from any part of the proceeds of the disposition of any Collateral or by exercise of the right of setoff either to the obligations under this Note or to any other obligations of any Party to the Bank, as the Bank may elect from time to time. The undersigned also waive any rights afforded to them by Sections 48-25 and 48-26 of the Code of Virginia of 1950 as amended.

TO THE EXTENT LEGALLY PERMISSIBLE, THE UNDERSIGNED WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY LITIGATION RELATING TO TRANSACTIONS UNDER THIS NOTE, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE.

Judgment by Confession

The undersigned hereby duly constitute and appoint _____ or any vice president or senior vice president of the Bank as the true and lawful attorney-in-fact, for them, in any or all of their names, place and stead, and upon the occurrence of an event of default, to confess judgment against them, or any of them, in the Circuit Court for the City or County of _____ Virginia, upon this Note and all amounts owed hereunder, including all costs of collection, attorneys' fees equal to 25% of the unpaid principal balance hereof and court costs, hereby ratifying and confirming the acts of said attorney-in-fact as if done by themselves, expressly waiving benefit of any homestead or other exemption laws.

Severability, Amendments and No Waiver by Bank

Any provision of this Note which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Note. No amendment, modification, termination, or waiver of any provision of this Note, nor consent to any departure by the undersigned from any term of this Note, shall in any event be effective unless it is in writing and signed by an authorized employee of the Bank, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. If the interest rate is tied to an external index and the index becomes unavailable during the term of the loan, the Bank may designate a substitute index with notice to the Borrower. No failure or delay on the part of the Bank to exercise any right, power or remedy under this Note shall be construed as a waiver of the right to exercise the same or any other right at any time.

Liability, Successors and Assigns and Governing Law

Each of the undersigned shall be jointly and severally obligated and liable on this Note. This Note shall apply to and bind each of the undersigned's heirs, personal representatives, successors and assigns and shall inure to the benefit of the Bank, its successors and assigns.
