**Re: New Millennium Political Action Committee  
FEC Identification #C00349233**

Dear Mr. Maxwell:

This is in response to your letter dated June 20, 2001 concerning the 30 Day Post-General Report (10/19/2000-11/27/2000) of the above-referenced Committee.

The New Millennium PAC made a \$4,000 contribution to Connelly for Congress on 10/27/2000 designated to "Primary Debt" on the face of the check. Due to a typographical error, the contribution was misreported as being a General Election Contribution. Attached please find a copy of the contribution check and an amendment correcting the report.

The New Millennium PAC inadvertently made an excess contribution of \$1,000 to Keenan for Congress. The Committee has sent two letters to Keenan for Congress asking for a refund of the excess portion of its contribution. To date, there has been no response from the Keenan campaign. The New Millennium PAC will continue its efforts to resolve this situation.

We hope that this information adequately answers your questions. If you need any additional information, please do not hesitate to contact the Committee.

Very truly yours,

*Marc E. Elias / con*
