Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Line 11(a)(i) of the Detailed Summary Page of your report discloses a total of \$200 in itemized contributions from individuals/persons. The sum of the entries itemized on Schedule A, however, indicates the total to be \$14,450. Please amend your report to clarify the discrepancy.
2. Line 21(b) of the Detailed Summary Page of your report discloses a total of \$2,087.31 in federal operating expenditures. The sum of the entries itemized on Schedule B, supporting Line 21(b) however, indicates the total to be \$16,587.31. Furthermore, Line 23 of the Detailed Summary page of your report discloses a total of \$14,500 in contributions to federal candidates/committees but a Schedule B was not filed to support Line 23. Please amend your report to clarify these discrepancies.

-For your information, each category on the Detailed Summary Page for which your committee discloses activity must have a separate schedule. Please note this for future filings.

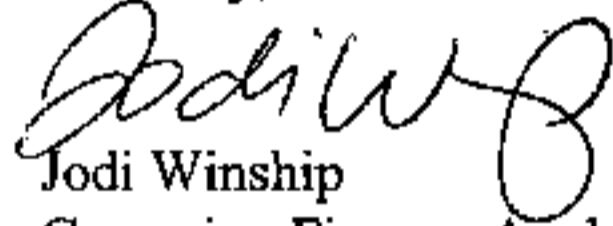

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an

enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
