Identification Number: C00079566

Reference: Year End Report (7/1/93-12/31/93)

Dear Ms. Vulcich:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The identification of each contributor, including the person's occupation and name of employer, must be provided if the person has contributed in excess of \$200 in the aggregate during the calendar year. Please amend Schedule A supporting Line 11(a)(1) for each entry lacking a contributor's occupation.

Note: If your committee has made attempts, either by a written request or by an oral request documented in writing to obtain this information from each contributor, your committee may have exercised "best efforts." Under revised 11 CFR 104.7(b), such effort shall consist of an initial clear and conspicuous request for the name, mailing address, occupation, and name of employer of each individual who has contributed over \$200 in the calendar year which informs the contributor that the reporting of such information is required by law. If necessary, your committee must make a written follow-up request or an oral follow-up request documented in writing, within thirty days with no additional solicitation. Subsequently, the committee should report any changes provided by the contributor or any additional information which is in the committee's records. If you believe that your committee satisfies the "best efforts" provision, you should provide a copy of your solicitation or an explanation of the method(s) used to obtain contribution information. Clarification regarding "best efforts" should be disclosed during each two year election cycle beginning with the first report filed in the non-election year. 11 CFR §104.3(a)(4)(1)

-2 U.S.C. §434(b)(3) requires itemization of contributions from individuals and persons other than political committees, where the aggregate total from the contributor exceeds \$200 in a calendar year. In addition, 11 CFR §104.3(a)(2)(i)(B) requires a committee to report the total amount of unitemized contributions (see Line 11(a)(ii) of the Detailed Summary Page). If a committee wishes to disclose contributions regardless of the amount contributed, the committee must separate (on separate receipt schedules) those contributors requiring itemization from those who are not required to be itemized. 11 CFR §104.3(a)(4)(i) For future filings, please submit your reports in this order.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Transfer of funds should be properly disclosed on a separate Schedule B, supporting Line 22 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,

*Terry Reynolds*
