Re: Mid-Year (1/1/93-6/30/93) and Year End (7/1/93-12/31/93) Reports

Dear Mr. Davis:

I received your letter dated July 29, 1994 indicating that a preliminary review of the reports referenced above raised a question regarding the limited payments that our PAC shows for administrative expenses.

We are aware of the FEC rules in regarding the reporting of administrative expenses, believe there is no additional disclosure needed for our reports but we wanted to specifically address your question.

Our PAC is a non-connected committee and is not overly active. We mail information and solicitations for funds to our members and others and conduct our activities and political contributions according to the amount of funds received.

We do not have any employees and our members perform our services as volunteer activities, including preparation of mailings, treasurer activities and other similar activities. We do not incur rent other than for a mail service, which is disclosed on our reports. We pay for other services (predominately duplicating) and supplies which are disclosed on our reports.

We have disclosed all payments for services and are not indebted to any party for any amount.

If you have any questions, please contact the undersigned. Thank you.

Sincerely,

Ida Kamen
