We write in response to your Request for Additional Information dated May 31, 2017, regarding the Committee's Amended October Quarterly Report, filed March 14, 2017. As a Committee dedicated to electing candidates to support campaign finance reform, we strive to ensure that we completely and accurately report all of the committee's receipts and disbursements on the public record. After receiving the letter, the Committee commenced a careful review of all independent expenditures made during the 2016 election to ensure that all were reported properly on Schedule E and Schedule D, where appropriate. Through this review, the Committee determined that all of its expenditures were reported to the Commission, though it has amended its reports to ensure the completeness of the public record. The Committee appreciates the Reports Analysis Division for bringing these issues to its attention.

With respect to the letter's specific questions.

1. The Committee has amended its report to include the identified entries on Schedule D.
2. The Committee has amended its report and fully reconciled Schedules D and E to accurately reflect what was previously reported on its 48 hour reports.
3. The Committee has amended its report to update and clarify dates and amounts on independent expenditures previously reported on its 48 hour reports.

Should you have any questions, please do not hesitate to contact the Committee.

Very truly yours,

Brian Foucart  
Treasurer
