Dear Mr. Walker:

This letter is in response to letter of inquiry you sent regarding the Lockheed Martin Employees' Political Action Committee's (C00303024) 12 Day Pre-General Report (10/1/00 - 10/18/00). Specifically the Commission's request was for an amendment to Schedule B supporting Line 23 by providing the office sought for each contribution.

Please note that on Schedule B supporting Line 23, all disbursements ("Contributions to Federal Candidates/Committees") which do include a district number along with the state and party affiliation are for contributions to federal House/Representatives candidates. Those disbursements which do not include a district number are for contributions to a federal Senate candidate.

Our monthly campaign finance reports are generated using Gnosso Software. Gnosso Software is in the process of updating its software to comply with the filing specifications required. As a client of Gnosso, we have been advised that changes in the software systems will be implemented shortly that will meet the FEC requirements. If you have any additional questions, please reach me at (703) 413-5947.

Sincerely,

Kenneth D. Phelps III  
Assistant Treasurer, LMEPAC
