Mid-Year Report (1/1/01-6/30/01)

Dear Ms. Mahony:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A supporting Line 11(a)(i) discloses contributions received through a payroll deduction plan. Generally, a committee's report must identify each contribution from an individual which in the aggregate exceeds \$200 during the calendar year. (2 U.S.C. §434(b)) For your information, instead of separate itemization, a committee using a payroll deduction plan may disclose the aggregate amount of contributions received from the contributor through the payroll deduction plan during the reporting period; the identification of the individual where the contribution exceeds \$200 in the aggregate during the calendar year, and a statement of the amount deducted per pay period. Please refer to the enclosed sample of properly reported payroll deductions. 11 CFR §104.8(b)

Any amendment or clarification should be filed with the Federal Election Commission. <u>Electronic filets must file amendments (to include statements, designations, and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.</u>

Sincerely,

The receipts in each category must be itemized on a separate Schedule A designated for that

Indicate the type of receipt itemized on a particular Schedule A by checking the box for the corresponding line number from the Detailed Summary Page where indicated in the upper right corner. of the schedule. The appropriate cetegory of receipt may also be written at

the top of each page.

Some categories may require several pages. The total for each category should be entered on the bottom line of the last page for that category.

For each itemized contribution, provide:

- The full name and address (including) zip code) of the contributor or other.

- The aggregate year-to-date total of all receipts (within the same category). from the same source, 104.3(a)(3). The space indicating the election for which an itemized contribution was made ("Receipt For") does not apply to SSFs; leave those boxes blank.

Special "Employer" information If a contributor is self-employed, that should be recorded in the Employer. space. If a contributor is not employed, the Employer space should be left blank, but the Occupation space should always be completed (e.g., "unemployed," "re-tired," "homemaker").

Payroll Deductions

Once an individual's deductions aggregate over \$200 in a calendar year, report the total amount deducted from the donor's paychacks during the reporting period on Schedule A. In parentheses indicate the amount that was deducted each pay period. Instead of stating a specific date of receipt, type "payroll deduction" under "Date," The other itemized Information, including the year-to-date total, must be completed for each donor. 104.8(b).

EXAMPLE: During an election year, a corporate manager authorizes her emplayer to deduct \$15 per pay period (each pay period is two weeks) for the company's SSF. The SSF, which fles. FEC reports on a quarterly achedule, includes the manager's first-quarter contributions (\$90 for six pay periods) as "unitemized contributions" on Line 11(a)(ii) in the April quarierly report.

By June 30 (the closing date for the July quarterly report], 13 pay periods have cassed, and the menager's aggregate contributions are \$195—still below the \$200 itemization threshold. The manager's second-quarter contributions bezimethu" ni bebulani eta niaga contribtutions" in the July report.

By September 30 (the closing data for the October quarterly report), 19 pay periods have passed, and the manager's contributions reach \$285. Now the committee itemizes the total contributions received from the manager during the third quarter (\$90), providing the year-to-date total in the appropriate space. (See Item A in the Bustration above.)
