Response to July Quarterly Report (4/1/10-6/30/10) Schedule B contribution in excess of \$5000. per election.

On 2/5/09 a contribution was made to Joe Sestak's Congressional campaign.

The response from Sestak for Senate was that the \$2500.00 was disbursed by the 'Sestak for Congress for expenses incurred in the primary election.'

The \$5000.00 check of 6/19/10 to Sestak for Senate'...this contribution was received after the primary and before the general, it was designated for the 2010 general election.'

When we researched the above, we found an additional contribution to Joe Sestak for Congress on 6/2/2009. This was also prior to his entering the Senate

campaign. The response was that this 'As part of this transfer, Sestak for Congress transferred the \$500. contribution from GMP to Sestak For Senate, which was designated for the primary.'

We have requested a refund of \$500.00.
