Reference: 12 Day Pre-General Report (10/01/00-10/18/00)

Dear Ms. Williamson:

This is in response to your letter of February 7, 2001 regarding the above referenced report.

None of the contributions in the attached pages exceed the limits set forth in the Act, 2 U.S.C. paragraph 441a(a). The amounts apparently in excess of \$5,000 per election, reported in Schedule B, Line 23, are the result of clerical error(s) or omission(s) and are corrected in the enclosed amended reports.

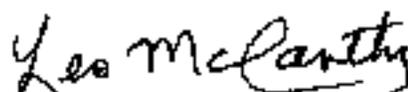

Keefe for Congress. The \$5,000 contribution to the General made on 10/17/00 is correctly reported. The \$2,500 contribution made on 08/07/00 should have been attributed to Primary 2000. This clerical error is corrected in the enclosed amended September Monthly Report (08/01/00 - 08/31/00).

Engel for Congress. The \$2,000 contribution made on 10/17/00 should have been attributed to General 2000. This clerical error is corrected in the enclosed amended 12-Day Pre-Primary Report (10/01/00 - 10/18/00).

Schipske for Congress. The \$5,000 contribution made on 10/13/00 should have been attributed to Primary 2000 debt. This clerical omission is corrected in the enclosed amended 12-Day Pre-Primary Report (10/01/00 - 10/18/00).

Carson for Congress. One \$5,000 contribution made on 10/10/00 should have been attributed to Primary 2000 debt. The other \$5,000 contribution made on 10/10/00 should have been attributed to the 9/19/00 Run-off Election debt. These clerical omissions are corrected in the enclosed amended 12-Day Pre-Primary Report (10/01/00 - 10/18/00).

Sincerely,

Leo McCarthy
