REFERENCE: OCTOBER MONTHLY REPORT (09/01/2012 - 09/30/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule E of your report indicates that your committee may have failed to timely file one or more of the required 48 hour report(s) for independent expenditures (see attached). A political committee must file a 48 hour report with the Federal Election Commission as specified in 11 CFR §104.4(b), within 48 hours of any independent expenditures aggregating \$10,000 or more with respect to a given election, made any time during the calendar year up to and including the 20th day before an election. The report must be received by the Commission by 11:59 p.m. on the second day following the date on which independent expenditures that aggregate \$10,000 or more are publicly distributed or disseminated. These expenditures must then be fully itemized on Schedule E, or as memo entries on Schedule E and reflected on Schedule D if distributed or disseminated prior to payment, of the next report required to be filed by the committee. Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. (11 CFR §104.3(b))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee
