In response to FEC RFAI dated 1/5/2017, the Committee would like to apologize for not filing 24-hour notices for a 2,000.00 expenditure from around 5/23/16 and a 4,000 expenditure from around 5/16/16. While the Committee can not rectify the error at this point, we would like to direct the FEC to our other, much larger expenditures that were filed properly in 24-hour reports. The Committee hopes this demonstrates a desire to be compliant during a busy campaign season and in no way is an attempt to hide our accounts.

Thank you for your time.

Treasurer
