IDENTIFICATION NUMBER: C00396820

REFERENCE: YEAR-END REPORT (07/01/2017 - 12/31/2017)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in enforcement action.** Additional information is needed for the following 2 item(s):

1. Itemized disbursements must include a brief statement or description of why each disbursement was made. Please amend Schedule B supporting Line 21(b) of your report to clarify the following description(s): "Event expenses." For further guidance regarding acceptable purposes of disbursement, please refer to 11 CFR 104.3(b)(3)(i).

Additional clarification regarding inadequate purposes of disbursement published in the Federal Register can be found at

<https://www.fec.gov/help-candidates-and-committees/purposes-disbursement>

2. Schedule B discloses reimbursements to individuals for "Travel expenses." When the reimbursement amount to individuals for travel and subsistence advances exceeds \$500, the payments by individuals to any one vendor that make up the reimbursement may have to be itemized. For example, if the related payments to any one vendor aggregate in excess of \$200 for the calendar year, the individual advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and detailed purpose of the advance. If itemization is not necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. Please amend your report to include the missing or clarifying information. See Advisory Opinion 1996-20 for additional clarification. (11 CFR

Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
