Amended 2008 Year End Report (11/25/08 - 12/31/08)

Dear Mr. Jones:

We are in receipt of your March 13, 2009 correspondence concerning the above referenced Committee. Your letter asks for clarifying information as to why the information included in the amendment was not disclosed on the original report.

Please note that the Committee filed two amendments to the Year End report to include additional 2008 receipts.

The first amendment was filed February 10, 2009 to increase receipts by \$21,972.99. This amount was for payroll deductions for December pay periods. The Committee did not receive the documentation for the payroll receipts before the deadline due to a technical problem in electronic transmission of the information from a payroll vendor to the Committee. The year end report was amended as soon as the problem was discovered and resolved. The problem has been corrected.

The second amendment, filed February 18, 2009, increased receipts by \$3,007. When preparing the February monthly report the Committee determined that a contribution made by a donor in 2008 was inadvertently entered into the Committee database as received in 2009. The contribution had been relinquished by the donor and received on behalf of the Committee in 2008 and therefore counts as a 2008 contribution. (FEC Campaign Guide for Corporations and Labor Organizations, January 2007, p. 14.) Again, as soon as the error was discovered, an amendment was filed.

Please let us know if our response is adequate and that this matter has been resolved.

Sincerely,
Jason D. Kaune
Treasurer
