Hello,

I started this PAC as just one person to see what would happen and make a difference. It has had less than \$300 in contributions. I am dissolving it.

Also I am not sure if I had to file financial reports with such low amounts. I am trying to but unable to get the electronic filing to work for Jan 31 deadline. It worked before in July, but not now.

Please consider the PAC dissolved: RESISTANCE NOW! FLIP THE HOUSE AND SENATE 2018!C00633594
