Identification Number: C00230342

Reference: September Monthly Report (8/01/04-8/31/04)

Dear Mr. Lux:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule H4 of your report discloses disbursements for the administrative category which use a ratio that is inconsistent with the ratio disclosed on Schedule H1 for the 2004 election cycle. The fixed ratio for the allocation of administrative, generic voter drive and exempt activity expenses should be the same for the full two-year election cycle. Please amend your report to clarify this apparent discrepancy.

Please note that if your non-federal account has overpaid your federal account because of this miscalculation, it will be necessary to immediately transfer these funds back to the non-federal account. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration.

-Schedule A of your report discloses a receipt(s) of \$101,781.12 from the "21st Century Democrats- Non-Fed Acc". Please clarify whether this transfer(s) is from an account maintained by your committee for non-federal activity. If so, be advised that such a transfer is prohibited by 11 CFR § 102.5(a)(1)(i) and the full amount of the transfer(s) should be

returned to the non-federal account. Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out. In addition, the transfer-out should be disclosed on Schedule B supporting Line 22 of your next report.

If this transaction represents an "internal transfer" of funds from one federal account to another, and the source(s) of such funds has been identified in previous reports of receipts and disbursements, please note that such transfers should not be itemized as doing so inflates total receipts and cash on hand. If this is the case, please amend your report accordingly.

Although the Commission may take further legal action regarding the acceptance of funds from a non-federal account, your prompt transfer-out of the impermissible funds or clarification of the transaction, will be taken into consideration.

-Please clarify all expenditures made for "Communication Materials", "Communications Consulting", "Direct Mail Postage", "Direct Mail Production", "Direct Mail Processing" and "Telemarketing Expense" on Schedule(s) B and H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B or E supporting Lines 23 or 24 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-Schedule H4 discloses payments made to credit card companies for shared federal and non-federal activity. Please be advised that these payments must identify as memo entries, the original vendors from which you have purchased an item or service regardless of the amount. Please amend your report by providing the name and mailing address of the original vendor, along with the date, amount and purpose of each expenditure. 11 CFR §§104.10 and 104.17

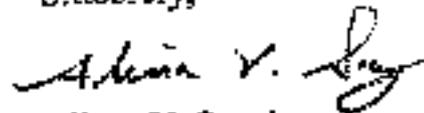

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
