Dear Mr. Alpert:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The totals listed on Lines 6(c), 11(a)(i), 11(a)(ii), 11(a)(iii), 11(d), 19, and 20, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your calculations for Line 8 appear to be incorrect. Cash-on-hand at the close of the current reporting period should always equal the closing calendar year-to-date cash-on-hand amount. Please provide the corrected total on the Summary Page.

-Schedule A supporting Line 12 discloses a transfer(s)-in from the "Democratic National Committee". Schedule B supporting Line 30(b) reflects payments for "Exempt Mail – Oppose Sweeney". Please be advised that a state or local party committee may pay for campaign materials (such as pins, posters, bumper stickers and yard signs) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election and for voter drive activity conducted on behalf of the party's Presidential and Vice Presidential nominees. Payments for this type

of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.87 and 100.147 and to the Campaign Guide for Party Committees.

Please clarify the nature of the transfer(s)-in and subsequent payments for the aforementioned disbursement(s). If the activity disclosed on your report does not meet the definition of "exempt" activity as described above and if any portion of the expenditures were made on behalf of specifically identified candidates, that amount must be disclosed on Schedule B, E or F supporting Line 23, 24 or 25 of the Detailed Summary Page as appropriate.

-You have made disbursements to "Mission Control, Inc." for "Exempt Mail - Oppose Sweeney" which you have characterized as exempt activities. In order for an activity to be classified as exempt, it must meet the following conditions: (1) For slate cards and sample ballots: it names at least three candidates running for election to any public office, it is not distributed through public political advertising (including broadcast media, newspapers, magazines, and billboards), the content is limited to the identification of each candidate, the office or position currently held, the office sought and party affiliation, and the costs allocable to federal candidates are paid with permissible funds; (2) For campaign materials: the activity is conducted on behalf of the party's nominees in the general election, the materials are distributed by volunteers--not through public political advertising (to include direct mail), the party committee does not use materials purchased by the national party committee or money transferred from the national committee to purchase materials, the party committee does not use funds designated for a particular federal candidate, a payment from a non-federal campaign to help pay for the materials does not exceed its allocated share of the expenses, and the costs allocable to federal candidates are paid with permissible funds; (3) For voter drives: the activity is on behalf of the party's Presidential and Vice Presidential nominees, the activity does not involve the use of public political advertising such as television, radio, newspapers, magazines, billboards or direct mail, phone banks are operated by volunteers (although paid professionals may design the system, develop calling instructions and train supervisors), the party committee does not use funds transferred by the national party committee for voter drive activities, the party committee does not use funds designated for a particular federal candidate, and the cost allocable to federal candidates are paid with permissible funds. 11

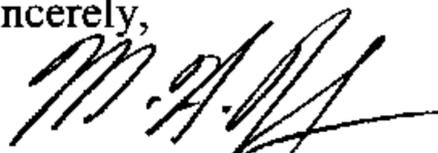

CFR §§100.80, 100.87, 100.89 and 11 CFR §§100.140, 100.147 and 100.149

If the activity disclosed on your report does not meet the definition of "exempt" activity as described above, and if any portion of the expenditures were made on behalf of specifically identified candidates, this amount must be disclosed on Schedule B, E or F supporting Line 23, 24 or 25 of the Detailed Summary Page as appropriate. Please provide the Commission with a more detailed explanation of these activities.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee.
