Dear Mr. Harkins,

Matt Rosendale for Montana, FEC ID #C00548289, is in receipt of your Request for Additional Information dated December 19, 2022, regarding the Committee's 30 Day Post-General Report (10/20/2022-11/28/2022).

The contribution records for Joel Twining Long have been reviewed and the excess portion of his contributions have been redesignated within the time allotted in the regulations. The redesignation took place in the fourth quarter and will be reported accordingly in the upcoming 2022 Year-End report.

In addition, the Commission notes that our report discloses contributions which appear to be from a corporation. Upon receiving a contribution from a limited liability company, the Committee contacts the contributor to confirm the tax status of the LLC and individual attribution(s) for partnership and sole proprietorship entities. If the Committee determines that the contribution is impermissible, a refund is issued within 30 days of determination.

The Committee has reviewed the records for the \$2,900.00 received from GVA Holdings, LLC. The request for confirmation of the LLC's tax status and individual attribution detail has been sent to the contributor. The Committee awaits return response from the contributor. When the response is received, the Committee will disclose the partnership attribution or issue refund, accordingly.

Sincerely,

Cabell Hobbs
Assistant Treasurer
