Identification Number: C00005801

Reference: October Quarterly Report (7/1/05-9/30/05)

Dear Mr. Robertson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report was filed on an obsolete FEC FORM 3X. Please be advised that all political committees are now required to use the FEC FORM 3X (revised 12/04). The new form can be downloaded from the FEC web site at <http://www.fec.gov>, or requested through the FEC Faxline at (202) 501-3413. Please re-submit your report using the new FEC Form 3X. (11 CFR §104.2)

-Please provide the totals for Lines 11(a)(i) and 11(a)(ii), Column B of the Detailed Summary Page. Note that changes in your figures may affect your **Column B totals on this report and/or on subsequent reports.**

-Schedule H4 discloses 100% non-federal activity. Please be advised that by definition, this activity does not qualify as an expense(s) that can be allocated between your federal and non-federal accounts. If the disbursements were for operating expenditures paid for with 100% federal funds, they should be itemized on Schedule B for Line 21(b) of the Detailed Summary Page. **In addition, if the disbursements/"donations" were to non-federal candidates, they should be disclosed on a separate Schedule B supporting Line 29.** If these expenses were permissibly paid for with 100% non-federal funds, they should not be disclosed on Schedule

H4. Further, any reimbursement from your committee's non-federal account for any portion of this activity is not permissible and must be returned. 11 CFR §102.5(a)(1)(i) Please amend your report to clarify this discrepancy.

-Your report disclosed certain categories of financial activity that have been reflected on the wrong lines of the Detailed Summary Page. Contributions from other political committees (such as PACs), transfers from affiliated/other party committees, and contributions to non-federal candidates and committees should be properly disclosed on a separate Schedule(s) A and B, respectively, supporting Line(s) 11(c), 12, and 29 (not Lines 11(b) or 21(a) for Schedule H4) of the Detailed Summary Page. **Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.**

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1144.

Sincerely,
