

This is in response to the letter regarding the amended October Quarterly Report (7/01/07-9/30-07) in which a question was raised (point1) regarding expenses for "invitation Printing" and "postage".

Those expenditures were in relation to our annual dinner which is a fund-raiser r that supports the overall activities of our organizatio.. There was nothing that referred to a specific candidate.

Point 2 was food for a reception designed to recruit new members for our organization. This was to further our organization and not a specific candidate.
