Gentlemen:

Please address all
correspondence
to the Treasurer

The following information is provided in response to your letter of September 23, 1998.

- (1) Your letter and enclosure indicate that we made primary election contributions to two North Carolina congressional candidates after the election date. It is our understanding that the primary election date for House candidates from North Carolina was changed to September 15 (as confirmed in our discussion with Reports Analyst Edward Ryan this afternoon). Therefore, our primary election contributions made on July 6, 1998, were, in fact, made prior to the election date.
- (2) Your letter indicates that our computer format of Schedule A is different from the format approved by the Commission previously. Please note that the format in which the information is provided has not changed; the only change is in the typeface used to print the report - a change brought about by our recent conversion to a new network operating system.

If you have any questions or need any additional information, please phone me at the number above.

Sincerely,

Cory N. Strupp
Treasurer
