Re: Justice & Public Safety PAC  
FEC Identification # C00651505

This is in response to your letter dated November 27, 2023, concerning the Mid-Year Report (01/01/2023 06/30/2023) for Justice & Public Safety PAC (the Committee). Due to an administrative error, the response is submitted later this month than the requested response date. The Committee has amended its Form 1 address to ensure receipt of all future communications.

1.Schedule B supporting Line 29 of the Detailed Summary Page does not disclose any activity on the Mid-Year Report, since the Detailed Summary Page only reflects amounts that affect total receipts and disbursements. All Line 29 memo entries correspond with an itemized disbursement on this report. In some cases, the same itemized disbursement was in-kind to multiple non-federal entities. Line 29 has been amended to include a memo note of the corresponding disbursement on Line 21B. The original disbursements are disclosed on Line 21B to reflect that the disbursements were originally operating expenditures made for the Committees internal purposes prior to being in-kind.

2.The debts disclosed on the prior report were paid in full during the Mid-Year Report reporting period. Due to a filing software conversion issue, the debt payments were incorrectly disclosed on Schedule B instead of Schedule D. The Mid-Year Report has been amended to correctly disclose the debt payments on Schedule D.

3.The Line 23 in-kind contribution memo entries for polling correspond to itemized disbursements on Line 21b because the polling disbursements were originally operating expenditures made for the Committees internal purposes prior to being in-kind. The Line 23 in-kind disbursements were also in-kind to non-federal entities, as disclosed on Line 29.

I hope that this information adequately answers your questions. If you need any additional information, please contact the Committee.

Sincerely yours,

Whitney Tymas  
Treasurer
