Federal Election Commission
Washington, D.C. 20463
Attn. Jessica Grainger
Sr. Campaign Finance & Reviewing Analyst

Dear Ms. Grainger,

The Committee is in receipt of the Commission's request for additional information dated September 27, 2023. The Committee was recently required to change campaign filing software and unfortunately the migration caused numerous duplicates which we are resolving as quickly as possible. Many of these duplicates caused Redesignations to be delayed. Reattributions and Redesignations are handled within 60 days or refunded promptly per 11 CFR 110.1(k)(3)(ii)(B) and 11 CFR 110.1(b)(3)(i).

Refunds, Redesignations, and/or Reattributions were reported on the Q3 Report filed 10/13/2023 with the exception of 8 Refunds that occurred in October and will be disclosed on the Year-End Report for 2023.

The list below and on the following page details the action taken for each contribution in question. Upon discovery refunds of the excessive portion of the contribution for that election were refunded once the duplicates were merged.

Under each section below will be the name of the donor in question and the date resolved or refunded.
