BEST EFFORTS PRACTICES - C00667865 1. Initial solicitation for a contribution is made via phone call and solicitor additionally states during the solicitation call that as a part of compliance, the PAC is required to inform the contributor that "Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year". Following acceptance to provide a contribution, a follow-up invoice letter is mailed to the contributor which includes a clear and conspicuous request for contributor's employer and occupation information to be written in and returned when they mail back their contribution. 2. Secondly, if employer/occupation information was still not provided within the above steps, a follow up letter is sent via US mail along with a separate pre-addressed return envelope sent to the contributor, again clearly requesting the name of employer and occupation, without solicitation of a contribution to send back. 3. Lastly, the third/final step if employer/occupation information was still not provided, a follow up phone call is placed to the contributor within 30 days of receipt of the contribution during which the missing information is clearly requested (without solicitation of a contribution) as an FEC compliance requirement. If all of these steps have been exhausted and the employer and occupation information still has not been obtained from the donor, 'best efforts' will be entered into these fields to communicate to the FEC that all above steps were taken. If we are able to obtain missing employer/occupation information, we will amend our report to include the updated information.

The Schedule E's that were reported as ESTIMATES on the F24's during this period, have been remapped to a percentage of the actual invoice values and their corresponding Schedule B has been adjusted accordingly. Any voided Schedule E's, that were estimated but never ended up actually disseminating, will be itemized in an F99 to follow this report. Any Schedule E that did not clear by close of books, has been marked MEMO, and carried on Schedule D into 2022.

The purpose of this amendment is to correct a clerical error regarding PayPal donations. The Paypal donors for 2021 appear to have been uploaded twice/duplicated. The duplicates were all small donation amounts, and did not aggregate into Schedule A's. We have deduplicated the donation data, and are amending 2021-MY through 2022-M5 to correct the opening and closing balances affected by this change. We are also using these amendments as an opportunity to update the public record for the employer and occupations that we've obtained from the donors with previously missing or unacceptable values.
