Committee: Dr. Raul Ruiz for Congress (C00502575)

Mr. Matheson,

We write in response to the Commission's letter dated March 5, 2014, regarding the Committee's Year-End 2013 Report.

The Committee has done it's best efforts to obtain the employer and occupation for all contributors who have an aggregate contribution of \$200 or more. The Committee includes a best efforts notification on all solicitation materials and if an employer and occupation is not supplied when a contribution is made, the Committee follows up to ask solely for the employer and occupation with first a phone call, then an email, and then a letter within 30 days of the initial contribution. The Committee has received new information for the following contributions which were disclosed on the Year-End 2013 Report.

If you need any further information, please contact the Committee.

Respectfully,

John Pinkney
