**Response Due Date:
April 21, 2008**

Identification Number: C00431569

Reference: Year-End Report (10/1/07 - 12/31/07)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 6 items:

1. Schedule A-P of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attachment #1). You should examine all of your contributions to check for additional excessive contributions. The Committee's procedures for processing contributions should also be reviewed.

An individual or a political committee other than an authorized committee or qualified multi-candidate committee may not make a contribution to a candidate for federal office in excess of \$2,300 per election. An authorized committee may not make a contribution to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §§ 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the

28039662117

clarifying information. If any contribution you received exceeds the limits, you may have to refund the excessive amount.

Excessive contributions may be retained if within sixty (60) days of receipt, the excessive portions are properly redesignated or reattributed. Guidelines for each option are provided below:

For reattributions, excessive contributions from individuals can be retained, if within sixty (60) days of receipt, the excessive amount is properly reattributed to another person. Please note that reattributions only apply to excessive contributions from individuals. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor, or (2) the committee reattributes, by presumption, the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if within sixty (60) days of receipt the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election, or (2) your committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) Please note that you cannot presumptively redesignate an excessive contribution from a multi-candidate committee. Also, a contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt of the contribution, the excessive amount must be refunded. See 11 CFR § 103.3(b)(3).

Please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/ or letters reattributing or redesignating the contributions in question. Refunds are reported on Line 28 of the Detailed Summary Page and on a supporting Schedule B-P of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A-P of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §§ 104.8(d)(2), (3) and (4))

The acceptance of excessive contributions is a serious problem. Again, the committee's procedures for processing contributions should be examined and corrected in order to avoid this problem. Although the Commission may take further legal action, prompt action by you to refund, redesignate, and/or reattribute of the excessive amount will be taken into consideration.

2. Some of the contributions itemized on Schedule A of your report appear to have incorrect values in the "Election Cycle-to-Date" field. This field should reflect the total amount that the committee received from the contributor in the current election cycle, from 11/3/04 through the date of receipt of the contribution. (11 CFR § 104.3(a)(3)) Some of the election cycle-to-date totals reported on your Schedule A do not appear to include all contributions from the contributor received in this election cycle. Failure to correctly total contributions received from a given source in the election cycle could lead to acceptance of excessive contributions by the committee. Please note that this problem frequently occurs when the contributor name is entered in the committee's electronic reporting database more than once using a different spelling and/or format. This prevents the database from properly aggregating contributions from the same individual or entity. Entering correct election cycle dates and ensuring that the name of each contributor is entered into the database only once would help avoid election cycle-to-date errors. When reporting contributions from political action committees, using the contributor's FEC identification number will help prevent duplicate entries.

Please review your procedures for compliance with this requirement and amend your report(s) as necessary. Incorrect aggregate election cycle to

6172996303

date totals for contributors listed on your report include, but are not limited to the ones listed on attachment #2.

If you need more information, please contact the undersigned analyst.

3. Schedule B-P supporting Line 28(a), discloses refunds to individuals (see attachment #3). However, it appears that your committee has not reported the receipt of this contribution. Please clarify this matter and amend your report(s) as necessary. (2 U.S.C. § 434(b) and 11 CFR § 104.3(a))

4. The election cycle-to-date totals for certain entries on your report indicate that additional contributions should have been itemized. When contributions from an individual reach \$200 for an election cycle, each subsequent contribution from that individual must be itemized, regardless of the amount. Additionally, each contribution from a political committee must be itemized, regardless of the amount. Please amend your report to correct the discrepancies in the aggregate totals for the individuals listed on attachment #4. (2 U.S.C. § 434(b) and 11 CFR § 104.3(a)(4))

5. Commission Regulations require the continuous reporting of all outstanding debts. This report indicates an omission of debts itemized on your previous report(s) (see attachment #5). (11 CFR §§ 104.3(d) and 104.11) Please file an amendment to your report to disclose the current status of these omitted debts.

6. Schedule D-P of your report itemizes debts with outstanding beginning balances, however these debts were not included on your previous report (see attachment #5). Please file an amendment to your report(s) to correct this discrepancy. (11 CFR § 104.11(b))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any

questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1160.

Sincerely,
