Re: Nebraska Republican Federal Campaign Committee

Amended Year-End Report (7/1/03-12/31/03)

Dear Ms. Benitz,

This letter is in response to the Commission's letter dated January 7, 2005. The Commission requested additional information regarding receipts which were itemized on our original 2003 Year-End Report but left un-itemized on our Amended 2003 Year-End Report.

The original report reflected individuals who had made one or more contributions causing their year-to-date totals to aggregate at \$200. Upon further review of the Form 3X instructions prepared by the FEC it was noticed that the instructions for Schedule A of Line 11(a)(i) call for the disclosure of individuals whose year-to-date contributions aggregate in excess of \$200. The Amended Year-End Report was prepared to include those individuals whose year-to-date totals aggregated in excess of but not at \$200. Therefore, the total contributions reflected on the original & Amended Year-End Reports are equal.

Schedule A of Line 11(a)(i) on the Amended Year-End Report reflects the disclosure the correct individuals per the Form 3X and Related Schedules Instructions.

Please feel free to contact us if you have any further questions.

Sincerely,
Jessica Moenning
Executive Director
