

RE:FEC-332330
Ms. Grant

This amendment is in response to your letter of March 13, 2008.

Re item 1: We will be amending the 1st and 2nd quarter reports for 2007 shortly. This should clear up the incorrect Column B figures.

Re item 2: The beginning cash balance now equals the ending balance of our Amended October Quarterly Report.

Re items 3 and 4: These discrepancies have now been corrected.

Re item 5: Most of the items mentioned have been merged, correcting the problem. Some have been corrected by reattribution memos. The slatecard.comPAC contribution is an earmarked contribution attributed to John Zelis

Re item 7: The election-cycle-to-date totals that are incorrect, are due to problems in our 1st quarter report. This report will be amended shortly to correct this problem.

Re item 8: The loan discrepancy has been corrected.

Re item 9: Regarding "best efforts," our procedures have not changed. We have recently sent out another request for employer and occupation information, and will be adding this information to our list as it becomes available.

Re items 11 and 12: These issues have been corrected in this report.

Re item 13: This issue has been resolved with the exception of items purposed "debt repayment." This is due to a problem with our database software, and we are working with our provider to correct this issue.

Re item 14: We are still adding memo entries to explain our credit card payments.

Re item 15 and 16: These issues have been corrected in this report.

Re item 17: This issue has been corrected in this report.

Re item 18: This information has been sent via overnight delivery to the FEC.
