Re: RFAI, dated 11/2/2017 for Amended Mid-Year Report

Ms. Seufert,

The original Mid-Year filing reported the amount incurred during the period to American Express incorrectly, due to a miscalculation. As soon as the miscalculation was identified an amended filing was prepared. The amended Mid-Year Report discloses the correct figure for the amount incurred to American Express during the 1/1/2017-6/30/2017 reporting period and thus a decrease in the amount owed to American Express at the end of the reporting period.

Sincerely,

Erica Sechrist
