

In reference to Mid -Year Report 01/01/07-06/30/07 excessive contribution.

BEST PAC is aware of the excessive contribution made to the Swett for Senate Committee. The corrective action that was taken was a request for return of the excessive contribution. We have since received the refund. Unfortunately we received the refund the first week of July 2007, and will be reflecting it on our year end report. I will also forward a copy of the refund check.
