Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the filing referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. An adequate response must be received at the Commission by the response date noted above. Additional information is needed for the following 1 item(s):

- You have failed to designate a bank or other depository for committee funds on your Statement of Organization (FEC Form 1). Commission Regulations require that "each political committee shall designate one or more State banks, Federally chartered depository institutions (including a national bank), or depository institutions the depository accounts of which are insured by the Federal Deposit Insurance Corporation, Federal Savings and Loan Insurance Corporation, or the National Credit Union Administration, as its campaign depository or depositories." Additionally, Commission Regulations require "each political committee (to) maintain at least one checking account or transaction account at one of its depositories." Please amend your Statement of Organization to disclose the committee's depository. (11 CFR § 102.2(a)(1)(vi))

Please note you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
