Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule H4 discloses a disbursement to "NYSDC Housekeeping Account" with the purpose of "Transfer of federal share of rent in-kind." However, it appears that the receipt of this in-kind has not been reported by your committee. Please be advised that the value of in-kind contributions must be added to the receipts and disbursements total in order to avoid either inflating or deflating the cash on hand amount. Please provide clarifying information or amend your report by itemizing the in-kind contribution(s) on Schedule A. (11 CFR §104.13(a))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than
